

All Grafton Residents and Friends Invited to Brookmeadow Park Field Dedication, Saturday, May 30th

On Saturday, May 30, 2:45 p.m., Grafton Little League (GLL), in conjunction with Brookmeadow Village, LLC, cordially invites all residents and friends with current or former athletes participating in youth sports in town, to the dedication of “**Brookmeadow Park**” the new youth sports field. Brookmeadow Park is located on Route 122 in South Grafton on the site of the former Agway. The park is located behind the new Millbury Credit Union.

“Youth sports are extremely important to our company and family and we are excited to be able to share these wonderful fields with the Town of Grafton,” said William G. Burrill, owner and developer of Brookmeadow Village. “With three daughters who grew up playing sports, I believe it is a wonderful way to foster teamwork, dedication and confidence. We are excited to provide the youth of Grafton with another location to enjoy team sports.”

When the property for **Brookmeadow Crossing** was purchased approximately two years after the approval process began for **Brookmeadow Village**, a proposal was made to the Grafton Planning Board by **WGB** to use land within **Brookmeadow Crossing** for recreational purposes instead of land within the **Brookmeadow Village** neighborhood. The idea behind the proposal was that the new location would be for the benefit of all the residents of the Town of Grafton including the residents of Brookmeadow Village. An additional proposal was also made and approved for 52 paved parking spaces which will provide ample parking for the ball fields.

“Grafton Little League is thrilled to be using Brookmeadow Park this year for both our T-ball and Single A Divisions and we extend our heartfelt gratitude to Greg Burrill and everyone associated with Brookmeadow Village LLC for making this new field possible,” said Dick Cornell, president, Grafton Little League.

Immediately following the field dedication, Dunkin Donuts and JCSI Corporate Staffing square off in a Single A Division tilt, followed at 5:00 p.m. by Lipinksi & Sons Electrical vs Affordable Search.
